District Superintendent's Report

Dear Beaufort County School District Family,

The 2010-11 school year continued the positive academic trends in all subjects and grades. On state measures, student achievement highlights include: 22 Palmetto Gold, Silver and Closing the Achievement Gap Awards were earned by fifteen schools. Four years ago, 50% of Beaufort County Schools were rated by the state as Average, Good or Excellent. Now 90% of schools hold Average, Good or Excellent absolute ratings. The district overall rating is Average. On national norm-referenced test MAP, all subjects and grades met ambitious MAP target growth. While SAT scores have not yet met national average, the district average increased 30 points in 2010. ACT district average is three tenths of one point below national average. On federal measures, sixteen Beaufort County schools met Adequate Yearly Progress (AYP), up from 4 schools making AYP in 2008 to 12 in 2009 to 16 in 2010. The percent of AYP objectives met has increased from 23 of 33 (70%) in 2008 to 30 of 33 (91%) in 2010. Other recognitions include four schools' making semi-finals for Palmetto's Finest (BMS, HHHS, HHISCA and WBMS). Beaufort Middle School was one of three finalists for Palmetto's Finest schools. HHI School for Creative Arts was named a national school of distinction in arts education. While all schools are focused on stretching learners, seven schools are STEM-infused schools and five elementary schools are using robotics and animation to stretch math and science learning. Recently, twenty-nine schools were named US Healthy Challenge Schools. In asset management, Bluffton Middle, Pritchardville Elementary and Whale Branch Early College High enjoyed a strong first year as did Bluffton High when ninth grade was moved to MCMcCracken Middle to alleviate overcrowding. Financially, the district maintained its outstanding credit rating, which saves interest. A no-tax-increase budget was accomplished by cutting eighty positions. We invite community members and parents to visit our schools, volunteer with students, and be involved in Beaufort County Schools, where Learning Leads the Way.

Valerie Truesdale, Ph. D.
