District Superintendent's Report

My first year as Superintendent of Calhoun County Schools has been quite rewarding. Our School Board, the community and all associated with the district should be commended for the confidence and support that I have received. The stakeholders' attitude of "children first" is amazing! Our teachers, administrators and staff do an excellent job of ensuring that all students are learning and working to achieve their full potential. After my arrival here, the Superintendent's Cabinet was organized to support the "Teaching and Learning" focus established for the school district.

To keep "Teaching and Learning" at the forefront, six focus goals were established that are critical if the focus is to be realized. They are listed below:

- Intense Focus on Student Achievement
- High Performing and Dedicated Teams
- Safe Learning Environment
- Efficient and Effective Operations
- Sustained Community Engagement
- Proficient Literacy Skills for All Students

Much has been accomplished this year. We have begun blue-printing these focus goals into the landscape of our school district:

Intense Focus on Student Achievement:

- This year, a curriculum committee was formed to ensure that proper emphasis is placed on curriculum and instruction. The committee was trained in classroom "walk-throughs" to observe for best practices while monitoring instruction. The committee had the opportunity to observe each of our classroom teachers for instruction, twice, during the year.

High Performing and Dedicated Teams:

- The district has been organized into a "Cabinet" format headed by the Superintendent. This Cabinet meets weekly to plan and keep track of the activity around the schools and other district departments. Members of the Cabinet are responsible for the various departments in the district and/or school leadership teams. The Cabinet is responsible to ensure that their teams are functioning at high levels and carrying out the "Teaching and Learning" focus, as well as the Vision and Mission of the district.

Safe Learning Environment:

- The safety of our students and personnel is first and foremost. We encourage our staff to be the eyes and ears for the district. We have two security officers that monitor for safety in the schools. This year, we initiated the Raptor System in each school that requires all visitors to sign-in, and at the same time, the system prints their visitor's badge while checking the individual against a national registry. If the system picks up a hit, it will automatically notify the administration and the officer at the school. Again, we must maintain vigilance to promote an environment conducive for learning.

Efficient and Effective Operations:

- The district has adopted a "Cabinet" form of government with a support focus to our schools. We believe that our efforts at the district level must be in support of "Teaching and Learning". We require members of Cabinet to pay "Attention to Detail", as it is critical in giving the ultimate support and maintaining an Efficient and Effective Operation of the entire school district.

Sustained Community Engagement:

- We believe excellent school districts have excellent community support. It is imperative that the district work to gain the support needed as we continue to improve. We must effectively communicate our expectations to our stakeholders if they are to assist in the achievement of our academic goals. We have recently organized our "Key Communicators". This group of community representatives was formed with individuals from each area of the community. They will meet periodically with the Superintendent and members from Cabinet to keep abreast of the activities in the district and report back to their respective communities.

Proficient Literacy Skills for All students:

- If our students are to achieve at the levels we expect, they must be proficient in their literacy skills. We have set a lofty district goal of having all students reading by the end of first grade. We must continue to put our emphasis on literacy and support the efforts of those teachers and students in the early grades. This year we organized our first annual Literacy Day. We brought in a local artist with children's books and members from the community to read to all our K-2 students. As we received this opportunity as we kicked off our focus on literacy across the district.

N/A - Not Applicable, N/AV - Not Available, N/C - Not Collected, N/R - Not Reported, I/S - Insufficient Sample

We will continue to strengthen our focus goals as we collaborate with the community. Please familiarize yourselves with this Report Card. We ask that you continue your support for our students and teachers.

No Child Left Behind

District Adequate Yearly Progress

No

This district met 20 out of 21 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.
