District Superintendent's Report

The 2010-2011 school year was again challenged with major struggles through budget deficits. In the struggles of management of the school district, there was never a day that we did not find students academically achieving, teachers excelling, honors being bestowed upon schools, and students excelling in extracurricular activities. The doors of our schools revolved with an outpour of community support through business and industry activities and volunteers.

One of the brightest moments during the year was the announcement that two of our schools met all their objectives, giving them the status of having met Adequate Yearly Progress. Other district elementary and middle schools showed significant progress and fell just short of AYP, missing 1-6 objectives. Educators are commended for their efforts of producing the outstanding results we saw on PASS testing and in the objective areas of AYP. They have continued to step to the plate and hold fast to the number one priority in this district – our children and their success.

We were honored to recognize 5 schools named as Palmetto Gold and Palmetto Silver Award Winners. Students participating in extracurricular activities continue to bring standing ovations from musical productions, outstanding records in the sports areas, Mock Trial State competition, MathCounts competitions, Regional Spelling Bee Contest, and State Writing Programs, all of which make for a wellrounded student and future citizen. As true to tradition at Strom Thurmond High School, we again applaud the graduating class that totaled \$1,386,239 with more to come as students receive LIFE and HOPE scholarships as well. Strom Thurmond High School was also chosen as the 2011 Law Related Education School of the Year by the South Carolina Bar Association Law Related Education Division.

The formation of the Foundation for Edgefield County Public Schools has implemented Teacher Vision Grants to assist educators with special projects and with the assistance of the Edgefield County Chamber of Commerce over \$10,000 was raised to support this effort as well as grant teacher supply wish list items. The district has been fortunate in the progress through the PEACH Grant (Early Intervention) and an AmeriCorps Grant which has proven to tie our high school seniors and our communities together in a joint effort of service.

Through the efforts of all employees and the support of our communities and parents, The Edgefield County School District will continue to be among the leaders across this state in striving for academic success for all children, continue programs to mold well-rounded students, and continue to step higher each year to offer the children of Edgefield County the very best educational opportunities. Our quest to move from "Good to Great to Excellent" is at the forefront of our labors.

Dr. Mary Rice-Crenshaw, Superintendent
Mr. Brad Covar, Board of Trustees Chairman
