District Superintendent's Report

Thank you for taking the time to look over our district report card. It contains valuable information concerning our student performance indicators. The Board of Trustees and administration appreciate your involvement in and support of our schools.

You will note that District Two has achieved a great deal of academic success as measured by our student achievement results on the various state tests. Eight of our schools earned Palmetto Gold and Silver Awards last year. We were proud that the total amount of scholarship money earned by the Class of 2011 was \$14.6 million. Additionally, several of our athletic teams had great success this year including Chesnee High's upper state championship wrestling team. Success in the arts was exemplified by the Boiling Spring High School Marching Band earning an upper state championship once again.

We have learned over the years the value of focusing our efforts in order to maximize the time we have each day with our students. Our teachers have labored tirelessly these past four years writing and modifying a common curriculum for every subject at every grade level. We strive to provide sound, engaging, and hands-on lessons that have been developed through teacher and instructional coach collaboration. We provide daily opportunities for our students to read, write, and discuss the concepts being taught. These are age-old teaching practices that are proven to be best practice.

We continue to address facility needs in our growing community. Our student population continues to grow. Through wise use of resources, the district has managed to keep up with the growth without approaching taxpayers for a school building bond referendum. The opening this year of the new Rainbow Lake Middle School and the grade structure changes in five of our elementary and middle schools in the Boiling Springs area will enable us to get all of our children out of portables for the first time since at least 1985. The Board and administration continually monitor our facility needs and make improvements as we plan for the future.

Five advisory councils meet with the superintendent and staff quarterly to provide and receive information on current issues facing the schools. Members of the local business community, parents, teachers, support staff, and students advise us on ideas and initiatives.

Spartanburg School District Two is a wonderful place to live and work. The presence of faith and strong families enable us to more easily educate your children. Thank you for choosing to live here and for partnering with us in this most important endeavor.

Scott J. Mercer
 Superintendent
