There are no charter schools in this district.			

REPORT OF SUPERINTENDENT

The Mission of Hampton County School District 2 is to prepare students to be successful, healthy and responsible citizens by providing challenging educational experiences in a safe and positive environment. Hampton School District 2 consists of three schools- Estill Elementary, Estill Middle, and Estill High. The District serves approximately 1050 students.

Education is an adventure that requires a commitment from all stakeholders. To that end, we are hoping that every parent, business entity, and community leader will assist us in achieving our goal of providing our students with a quality education that will enable every student to function in a global society. All of us -parents, teachers, administrators, community leaders, and businesses - must be committed to providing a quality education for all of our students.

The District implemented two research-proven programs, Success For All and Direct Instruction, to promote academic success. Although the District has made a significant attempt to provide research-proven programs, we realize that our students play an important role in the educational process. It is our belief that each student must put forth the effort that is required for them to be successful.

In order to provide our students with a quality education, we must intensify our efforts to attract the most committed, capable, and caring educators. Although recruiting is a significant challenge, the District is committed to ensuring that each classroom is taught by a teacher who possesses the aforementioned characteristics. To ensure continuous improvement within our current teaching staff, the District offers continuous professional development opportunities for the teachers who are currently employed by the District. By making data-driven decisions, implementing research-proven initiatives, and offering relevant staff development, Hampton County District 2 will continue to evolve into one of the most outstanding school districts in the state of South Carolina.

Deonia A. Simmons, Ed.D.
