There are no charter schools in this district.			

REPORT OF SUPERINTENDENT

The McCormick County School District began the 2010-2011 school year under the leadership of new Superintendent of Schools, Dr. Earlean Smiley. Dr. Smiley embraced the district's vision of inspiring, challenging and preparing our students for tomorrow's global opportunities. Several initiatives were implemented during the 10-11 school year to improve teaching and learning. The district had begun the process of being a PBIS district; the training and follow-up that had been scheduled was continued. School and district leadership were trained in the use of Classroom-Walk-Through Program using the TeachScape Model. Leadership teams were formed to conduct CWT through-out the school year. In addition to PBIS and CWT training staff members were also encouraged to explore staff development opportunities to increase their capacity to engage students.

Staff members also began the process of establishing data rooms and utilizing data to improve teaching and learning. The district continued to utilize Measures of Academic Progress (MAP). Although the district-wide implementation of PowerSchool was a challenge, staff members received training via webinar, tutorial, and hands-on training. In addition, a core group also received training through the SDE.

High school students completed their first year in the new high school building which joined the PK-8 facility at the McCormick County Educational Complex located on Hwy 28 South.

In preparation for our upcoming SACS accreditation visit, School Board members continue to attend training to ensure their knowledge in leading the district. Dr. Earlean Smiley Supt. of Schools
