### Report of Principal and School Improvement Council

The 2010-2011 school-year was an exceptional year filled with opportunities, accomplishments, and program excellence. Efforts by our students, parents, and school improvement council (SIC), Parent Teacher Organization (PTO) combined with our faculty and staff's initiative and vision, produced significant results in many areas. At the top of the list included meeting Adequate Yearly Progress (AYP).

Our story begins with great progress being made for having every child read on grade level by the end of this school year. Supporting this goal included data analysis and flexible instruction based on individual student MAP (Measures of Academic Progress) scores for students in kindergarten through sixth grades. In addition, Title I funds afforded the continuation of our reading and math specialist positions as well as aided in lowering class sizes in grade two. And, our school-wide mentoring program, We Are Family, along with our character education program provided by our school guidance counselor and classroom teachers, continue to ensure each child has a special person to connect with and has multiple opportunities to be recognized for good character throughout the year.

Other highlights included improvement to our Response to Intervention plan, providing the Wilson Reading interventions for students needing extra assistance to close the achievement gap; enhancement of our Accelerated Reader program by offering incentives suggested by our students for goal attainment; and integration of the arts into the regular classroom activities. And finally, professional development was provided for teachers to collaborate and improve personal instructional maps and our on-line district curriculum. The result is directly improving the instruction delivered daily and ensuring that our students receive a quality education.

Our expectations remain high for student growth. Our goal to challenge all students each day remains foremost. Together, with volunteers, PTO, SIC, and business partnerships, students are being well-prepared for the 21st century. At La France Elementary School, Learning Equals Success!
