Report of Principal and School Improvement Council

Broad River Elementary is an authorized International Baccalaureate Primary Years School. We serve approximately 400 students in grades Pre-k through 5.

Our staff has worked diligently to raise student achievement through the implementation of various literacy, science and math initiatives. These programs include small group literacy instruction by full-time, certified teachers, Science Fair, School-wide Writing Prompts, MAP testing, and educational field trips that link to content standards. We support teacher professional development through academic area coaches in reading, science, math and technology.

Because we value intentional, standards-based instruction, we ensure that our teachers have numerous opportunities for professional development and training in best practices. This year we implemented TAP (The System for Teacher and Student Advancement Program). This offers an avenue for on-going, site-based professional development and coaching.

As a result of the above initiatives, we have achieved academic growth in several content areas across grade-levels.

We foster positive school, parent and community relations through school-wide events such as the Principal's Writer's Luncheon, Literacy Night, Science Night, Exhibition, Artist Showcase and several musical performances.

Though we have the challenge of a transient community, Broad River Elementary strives for excellence.
