Report of Principal and School Improvement Council

Sandy Run K-8 School Report to Parents 2010-2011

The Sandy Run K-8 family always strives towards a successful school year. Success is defined by how we meet the needs of the students we serve academically, emotionally, and socially.

Academically, we achieved AYP for the fourth consecutive year. This achievement was accomplished through the dedication and cooperation of staff, students, and parents. We will continue to set high academic goals for our students and seek the continuous collaboration with our parents.

We understand that students need a safe, inviting, and caring atmosphere to operate during the course of a day. Thus, administration, staff, SIC members, and PTO implemented the PBIS program, (Positive Behavioral Interventions and Supports). PBIS goals are to:

- Develop a continuum of scientifically based behavior and academic interventions and supports
- Use data to make decisions and solve problems
- Arrange the environment to prevent the development and occurrence of problem behavior
- Teach and encourage prosocial skills and behaviors
- Implement evidence-based behavioral practices with fidelity and accountability
- Screen universally and monitor student performance & progress continuously.

(http://www.pbis.org/school/what_is_swpbs.aspx).

On May 16, 2011, we were named one of South Carolina's PBIS Blue Ribbon Award Winning Schools. Our PTO and SIC were diligent in their support as they discussed positive decision making strategies with their children at home, and provided needed resources to manage and operate the program successfully.

Technology has always been one of the attributes of Sandy Run. This year, we were able to open up a third computer lab which is housed within the media center. The additional lab provided teachers the opportunity to incorporate more project based learning and reinforcing research and technology standards taught in the classroom. Each child in grades two through five were provided with an opportunity to utilize their own Lennox Laptop for use at school or home. This permitted students to access websites purchased by the district for enrichment and enhancement in all subject areas. We were also able to equip each of our buses with Wi Fi internet capability to continue their learning experiences to and from school.

Sandy Run K-8's successes are due primarily to the support and assistance from our parents, stakeholders, students, staff, and school district. We understand and appreciate the time and effort from each of the entities. We indeed, want to continue to provide our students with the best educational experiences and feel confidently that with the continued cooperation from each party we will do so, and give back to the community productive citizens who will continue the tradition.

Respectfully yours,

George Keirman, Principal

Sheena Staley, SIC President
