Report of Principal and School Improvement Council

Scranton Elementary School's students, teachers, and staff had an amazing school year. Our students were prepared to be life-long learners by providing educational experiences through hands-on learning, a yearlong reading challenge, using technology to enhance student learning, Door Buster Morning program, After School program, Reading and Writing Buddies, Spanish lessons on the Morning Show, Pen Pals, First in Math program, and Reading Counts. Each individual student's needs were met through researched-based strategies, small group instruction, and benchmark testing to ensure academic growth. Technology was incorporated into lessons to enhance student learning through the use of Classworks program, Achieve Now playstations, First in Math program, Reading Counts, and classroom Promethean boards. A safe learning environment was provided that allowed all students to grow, learn, and achieve academic success.

Our students were provided numerous opportunities to develop character traits through the school's character education program, which also included a bullying program. The students participated in several community service projects. These projects included Pennies for Patients, March of Dimes, the Florence County Disabilities Helping Hands Project, and Food Bank. Our students took pride in helping others and were honored throughout the school year.

A variety of instructional strategies were used to foster the academic success of our students. Under the guidance of the school leadership team, teachers worked in collaborative grade level teams and school-wide teams to analyze PASS data, MAP data, benchmark testing data to plan instruction and assessments based on the South Carolina Standards. Teachers were trained in ELA and Math strategies during cluster meetings through the TAP program. The district Technology Coach worked with teachers once a month to increase their technology proficiency levels. Professional development book studies included differentiation in the classroom and single gender classrooms and strategies.

A strong family and community partnership was maintained throughout the school year through our Open House, Family Nights, Grandparents' Day, Doughnuts for Dads, Muffins for Moms, Hero's Luncheon, Fall Festival, Scranton's Celebration Day, Field Day, Author's Tea, and Picnic in the Park.

Scranton Elementary School continues to work together to meet the needs of all our students. As our mission states, "Educate all children by achieving academic excellence", we are partners with our district, teachers, students, parents, and the community to guarantee success for all.
