Report of Principal and School Improvement Council

W. S. Sandel Elementary takes pride in making AYP for the second year in a row. As a culturally diverse school of 551 students we celebrate 6 different ethnic groups. Our certified staff continues to focus on professional growth as we add two additional National Board certified teachers to the 100% highly qualified instructional staff.

In keeping with our mission to prepare every student to be successful contributing citizens, our focus continues to be on all the components of literacy and the improvement of all the mathematical concepts. The process used to monitor instructional delivery and student learning includes the Cycle of Continuous Improvement (PDCA), data teams and literacy teams. We utilized the district common assessment results, MAP assessments and PASS data to determine the instructional needs of the students in grades 3-5. InView, CogAT, Dominie, EISA and the district Math Assessment are used to determine the instructional needs of students in grades PreK-2. To assist with addressing gaps in the curriculum and to identify students and their skill levels, TargetTeach provides five steps to curriculum alignment that include strategies, resources, tasks, and reports. Response to Intervention is another process used to address the different tiers of student performance. MAP testing, STAR Reading and Math Inventory and SuccessMaker are used to monitor students' progress. Student gains are celebrated at the end of each assessment cycle.

Other programs designed to assist students is the after school Comprehensive Remediation Program (CRP), SuccessMaker Lab for grades 3-5, Study Island, Think Central Math, and Accelerated Reading and Math computer assisted programs. These programs provide students with individual levels of practice in the core subject areas. SCE&G sponsors a Homework Center to meet the needs of students in grades 2 and 3 who do not qualify for the district's after-school tutorial program. The Reading Teacher also provides instruction to targeted students in one-to-one and small group instruction utilizing SIPPS and Making Meaning programs. Partnering with the Midlands Reading Consortium (MRC) has provided one-to-one support to students in 1st grade and ATA funds supports part-time staffing of school day tutors that focuses exclusively on students not meeting standards in reading and math.

The initiation of three school wide reading programs; "Reading World Series", "Read to Lead a Better Life" and "Reading March Madness" kept students reading year round and pushed our number of books read to approximately 22,000 with 84% accuracy bases on AR goals.

Our relationship with City Year Corp Members has helped to foster good citizenship, team work and conflict resolution as well as support our focus on literacy.

Additional programs and incentives that promote parent involvement in our learning community increased parent engagement by 10% based on sign-in sheets, phone calls and home visits. We believe that together we can accomplish the school and district goals to ensure optimum students' performance for a promising future.
