Report of Principal and School Improvement Council

Windsor Elementary has had another outstanding school year full of great teaching and learning. We applied for the Magnet Schools Assistance Program (MSAP) grant to fund the process of becoming an International Baccalaureate School. In October we received the good news that we received the grant. We began the application process and then participated in professional development through the International Baccalaureate Organization (IBO). Through the collaborative efforts of the faculty and staff we completed and submitted our application to become an International Baccalaureate Candidate School. While we were waiting to learn about the status of our application the teachers continued to design inquiry units as required by the IBO. In June we received the good news that we are an official International Baccalaureate Candidate School. This coming school year we will continue the process of working towards becoming an authorized International Baccalaureate School.

In addition to the MSAP Grant we received a second federal grant to fund Project CARE, allowing us to hire a second guidance counselor. The focus of Project CARE is to provide direct services to students in the form of small group and individual counseling.

Through various funding sources we were able to hire a certified drama teacher, continue offering Spanish instruction, and have one to one computing for all 4th grade and 5th grade students. The students are enjoying being able to express themselves through drama, having more frequent opportunities to learn Spanish, and using technology on a daily basis.

Our focus for this coming school year is to design inquiry units that are engaging and authentic. As we continue designing engaging work for our students, we know this will allow Windsor Elementary to continue to be a place where children learn, grow, and dream. Thank you to all of our Windsor families for your continued support.
