Report of Principal and School Improvement Council

The 2010-11 school year was a time of growth for Lockhart School. Faculty and staff redoubled their efforts to address the academic, social, emotional, and physical needs of all students. Successful initiatives from previous years continued, while new programs and activities were implemented.

Data from PASS and MAP were used to drive instruction and to determine individual student needs. The middle school bell schedule was modified to allow teachers twenty minutes each morning to work with small groups to target specific gaps in skills. A teacher assistant worked with small groups of elementary student to strengthen math skills. Lockhart School met Adequate Yearly Progress status. We are particularly proud of our eighth grade honors students. One hundred percent passed the EOCP exam in both Algebra I and English I. Fifty percent of Algebra I students earned a perfect score, while twelve percent of Biology I students scored 100. In elementary school, seventy percent of students met or exceeded their target growth on the MAP test in one or more areas, and eighty-seven percent of students in middle school met or exceeded their targets in at least one area.

Positive behavior incentives, lunchtime intramural games, and an intergenerational writing project were among the initiatives implemented this year to address the social, emotional, and physical growth of our students. In addition, the PTO and the School Improvement Council worked diligently to increase parent involvement in the school. A family Walk-at-School Day, family Red Ribbon Week activities, and Family Science Night were among events designed to provide opportunities for parent involvement in school. In the spring of 2011, parents, students, and community volunteers planted a vegetable garden to allow parents and students to work and learn together.

As the 2011 school year closes, stakeholders are planning to maintain successful programs in the coming year and to meet challenges proactively. Budget constraints, a smaller faculty, and part-time teachers shared with other schools present challenges. Nevertheless, the Lockhart School family will continue to hold itself to the high standards of the past while looking to the future.
