Report of Principal and School Improvement Council

The cornerstone of Jonesville Elementary/Middle School's successes for 2011-2012 involves the collaboration of dedicated faculty/staff, hard working students and committed parents. Through this collaborative effort, high expectations were set and exceeded throughout the year. This success is evident through the recognitions and accomplishments we received throughout the year.

Jonesville Elementary/Middle School's mission is to create the best quality education for all students. This mission is achieved by meeting all students' needs through providing quality and differentiated instruction in a caring and nonthreatening environment. As a result, Jonesville Elementary/Middle met 36 out of 36 objectives in order to meet Adequate Yearly Progress (AYP).

Data use drives our instructional program and has supported significant gains in student ELA scores as measured by the Palmetto Assessment of State Standards (PASS). 72.5% of students scored met/exemplary. Significant gains were shown in students meeting target growth in math and reading as measured by the Measures of Academic Progress (MAP). 78% of students met target growth for the year in one or more subject areas. Other accomplishments include: 95.5% passage rate on the English end of course test and 86.4% passage rate on the Algebra end of course test.

The outstanding faculty and staff at Jonesville Elementary/Middle School believe the academic success of our students is significantly dependent upon them. Each member works tirelessly to engage and meet the needs of the students through using state support documents as a framework for the curriculum. The teachers utilize a variety of assessments to measure students' progress. Through using the data to drive instruction, individual learning continuums are created for the students.

We are appreciative of our stakeholders for their willingness to support our shared vision in meeting the needs of students, teachers and the school. They play a vital role in the school community through supporting us as business partners, involved PTO and School Improvement Council and providing countless volunteer hours. The ongoing support and dedication is proves their commitment to all students.
