Report of Principal and School Improvement Council

Mount Holly Elementary has had a wonderful year and we have been excited about the success of our students. As we completed our third year as a school family, we were honored to receive the Palmetto Sliver Award for performance by our students on PASS.

During the 2010-2011 year, our PTO has assisted our school in numerous ways: raising funds for school supplies, dedicating hundreds of volunteer hours to assist our teachers, and providing whatever we needed to help us along our journey. Our SIC has worked on grant writing to assist us in raising funds to apply towards a walking track for our students.

Our fourth and fifth graders participated in a production of Annie, Jr. and provided our school with an excellent performance on the stage. After months of hard work, rehearsals, and extended school days, the cast and crew proved to our school that working as a team with all members doing their share of the work, success will come!

During the school year, our teachers participated in a variety of staff development opportunities to add additional strategies in their classroom in order to meet the varied needs of our students. We know that we are headed in the right direction and we will continue to build upon the solid foundation that we have established during our first three years. Our goal is to help children grow into successful learners and to provide them with the support systems that will enable them to achieve whatever dreams that drive them to excel.
