## Report of Principal and School Improvement Council

South Carolina Connections Academy (SCCA) is a pioneering, public virtual charter school that opened during the 2008-2009 school year as a member of the SC Public Charter School District. SCCA offers a premier online education to students in grades K-12 regardless of where they reside in the state. Our curriculum meets national and state standards while simultaneously meeting the personal needs of all of our students. Students progress through the program under the guidance of their Learning Coach (typically a parent or guardian) in conjunction with their highly qualified SC certified teachers. Regular interaction occurs via phone, e-mail, Field Trips and live web conferences. Student work is then submitted online for teacher review. Our user friendly Learning Management System (LMS) includes coursework, a daily planner, a grade book, attendance recorder, communication tools, a virtual library, message boards and supplemental learning programs. The LMS provides all the necessary information, at your fingertips, to successfully learn anywhere there is an internet connection. This unique system sets us apart from all other virtual charter schools.

SCCA offers advanced curriculum to Gifted and Talented students in grades 3 through 8 in Science, Math and Language Arts. These students participate in a Literature Study course using the Junior Great Books series. Teachers in our Special Education Department serve their students using the inclusion model to meet their needs in the least restrictive environment. Students required to receive speech services participate in Virtual Speech sessions. Occupational Therapy, Physical Therapy and Speech Services are also provided through contracted, certified providers.

Our high school program includes approximately 975 students across the state. The selection of courses we offer is varied and challenging. Students are able to study Foreign Languages such as Mandarin Chinese, Latin, French and Spanish. We also offer 20 Advanced Placement courses and a variety of college preparatory electives. Our graduation requirements are more rigorous than the state mandates. For example, SCCA requires that all students successfully complete a full year of health and a full year of American Government.

In an effort to create a sense of community, various Field Trips were planned statewide. This allowed students, parents and teachers to interact face-to-face. Over 100 opportunities were held during the 2010-2011 school year including museum, zoo and aquarium tours; environmental awareness activities; an arts festival featuring student work; a Field Day and Graduation.

Allison R. Reaves  
SCCA Executive Director
