REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Westview Primary School opened its doors in 2002 and for the past nine years has served approximately 850 students in Pre-K through third grade. For the 2011-2012 school year, our grade level configuration will change. The new Pre-K through 2nd grade configuration will align us with other primary schools in our district. We will also be adding 5 Head Start classes to our building in the fall of 2011.

Our school has space for 50 classrooms as well as a science lab, multi-purpose room, media center, music, art and speech rooms. The school has two state of the art computer labs. Students visit one lab on a weekly basis for instruction on keyboarding as well as time with the Compass Learning software for review in math and language arts skills. This lab is also used for assessment programs such as Star Reading and Math and MAP (Measures of Academic Progress). The second lab is available for tutorial sessions for students identified as "as risk" in reading and/or math. This lab uses Success Maker software. Students also have the opportunity to read books and take computerized Accelerated Reader tests where they demonstrate their ability to comprehend what they have read.

Thirteen teachers at Westview Primary School are now National Board Certified; one more is currently pursuing that certification. Our teachers are trained in Balanced Literacy, South Carolina Math, AimsWeb, "Six Plus One" Writing and Foss Science Kits. Teachers in kindergarten, first and second grade have been trained in and use DRA (Developmental Reading Assessment) and DIBLES (Dynamic Indicators of Basic Early Literacy Skills) to assess the reading and literacy skills of their students. We have interactive SmartBoards in all of our instructional areas, and our teachers have all been trained to use this instructional technology tool. WVP has been recognized by the State Department of Education with the Palmetto Silver Award.

Parent involvement is especially critical at the primary school level. The PTA and School Improvement Council continue to work with us to provide a safe and nurturing learning environment for our students. Our school continues to run Before/After School, Summer and Holiday Camp Programs. Funds from our PTA and the After-School program are used to support the fine arts programs that are presented throughout the school year. Local and national artists spend time with our students sharing their talents and making connections between their areas of expertise and curriculum standards in ELA, Mathematics, Science and Social Studies. Funds from these programs were also used to provide playground equipment, safe fall zones, and to construct an outdoor pavilion which is used by our teachers for various learning activities. Students at Westview Primary School participate in a variety of programs such as Kids Who Care, The Berkeley County School District Spelling Bee, Special Olympics, Jump Rope for Heart and a Bicycle Safety Rodeo. Our Special Education Department received a grant that allowed us to hold our own Special Olympics program here at Westview Primary for our Special Needs students.
