## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Blacksburg Elementary School we believe that every student is a valued individual with unique physical, social, emotional, and intellectual needs. We are committed to this belief and strive to make all students feel successful in the areas of academics, citizenship, and service.

During the 2010-2011 school year, classroom instruction included time for review and extra practice, along with enrichment opportunities that included fifth grade band, National Junior Beta Club, Student Council, Walk and Read Program, Too Good for Drugs Program, Character Education, Computer Lab, and Science Lab. Our fifth grade worked hard to compete in Carowinds Roller Coaster Building Competition where they walked off with a first place rating. Teachers presented lessons to motivate and educate by providing activities that met the various learning styles of their students. Teachers used MAP data and ongoing classroom assessment to help plan lessons that ensured students were being taught at their appropriate learning levels. Reading, writing, and math clinics were held during small group class time to ensure that students gained success over their areas of concern. Supplemental tutoring services were offered before and after school.

Volunteer participation continued to help BES rise to meet the challenges of budget cuts and larger teacher student ratios by assisting our classroom teachers through mentoring at-risk students, preparing papers for the day, gathering needed materials, and monitoring during classroom instruction.

Staff members participated in various learning opportunities throughout the year to help better prepare them for the ever-changing needs of their students. A focus on special needs, autism, and behavior disorders was followed throughout the year. Several staff members served on the School Improvement Council and assisted in the analyzing and developing of the current school-wide improvement plan.

Students again showed their compassion for helping others. Monies and food items were raised and donated to Jump Rope for Heart, Pennies for Patients, Relay for Life, Iron City Ministries, and Cherokee County Humane Society.

The Blacksburg community, parents, staff, and especially students made the 2010-2011 school year a great one that provided lifelong memories. Thank you to all those who helped to make this possible!
