REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Summit Drive Elementary School is a true neighborhood school located minutes from downtown Greenville. The school was established in 1953, but the facility was rebuilt in 2001. We pride ourselves on knowing all of our children personally. The spirit of Summit Drive is characterized by its belief that "Every student is a star". A STAR student Shows respect, Takes responsibility, Always follows directions, and is Ready to learn. Our mission is two-fold: encouraging continuous learning and increasing student achievement. Our goals are to increase student achievement in all academic subjects and to encourage students to become life-long learners and responsible citizens. Our English language arts curriculum includes a special developmental writing program for kindergarten through 5th grade. We were named an Exemplary Writing School by the State Department of Education in 2010. Our teachers use tools from innovative programs such as 4 Blocks to improve literacy and use strategies from programs such as Learning Focused in all academic areas. Our math curriculum includes Calendar Math and flexible math groups which meet once a week for specialized instruction. We continue to have an interactive science lab where science standards are taught through fun and exciting hands-on experiences. As part of the Baldridge Quality Tool program, students keep a data notebook to record their grades and behavior and set goals for personal achievement. We will continue to improve communication with parents, outside agencies, and organizations to yield more involvement and participation in our school. Summit Drive is a school that continuously provides a caring, nurturing, and safe environment.
