REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Crosswell Drive Elementary is a school where faculty and staff believe that an education is the key to a successful future. We are committed to providing students with a quality education in an environment that is conducive to learning. With continued support of parents, community members, and faculty, we are certain we will be successful in our endeavors. Crosswell Drive Elementary is a

datadriven school that uses student progress to drive instruction. Our continuing instructional priority is to implement reading and writing strategies across the curriculum to improve student test scores.

The Magnet School for the Fine Arts and Technology was enhanced, and students were given more opportunities to perform in the community. Students had the opportunity to participate in art, dance, piano, strings, technology, and voice programs. The Magnet Choir was again invited to perform on WLTX's Sounds of the Season Holiday Special.

To achieve our goal of providing a quality education, we provided several programs for our students, parents, and staff. Our students participated in the Math Jeopardy program through USC Sumter. Flag football and step teams were implemented successfully. These programs taught athletic skills along with motivating students to work hard inside and outside of the classroom. Our parents supported us through our Family Nights. Our final Family Night "Are You Smarter than a CDE Cardinal?" had a turnout of over 300 community members. Finally, our staff participated in writing workshops, differentiated instruction training, and an evaluation process that measured classroom rigor.

We have an open door policy at Crosswell Drive Elementary. Visitors and volunteers are always welcome at our school. We are excited about the accomplishments at Crosswell Drive Elementary and invite you to come and be a part of them.
