Report of Principal and School Improvement Council

Wren Middle School is committed to providing a learning environment of excellence where students are challenged to acquire the skills and knowledge necessary for future success. "Closing the Achievement Gap" continues to be a major focus as we strive to meet the academic needs of all students. With standards based instruction as a highest priority, teachers and administrators work together in professional learning communities to find new instructional strategies that will enable them to move all students to their greatest academic potential. Research based practices are found in every aspect of the instructional program. All students participate in MAP testing in the areas of ELA and math in the fall and spring. Test data is analyzed in an effort to identify the academic strengths and weaknesses of individual students. Wren Middle School offers an after school program designed to provide extra time and assistance for students in all academic classes. Academic teachers provide time for tutoring students before and after school, as well as during lunch. We will continue to increase the number of students that exceed expectation in all areas of the Palmetto Assessment of State Standards Test. The National Junior Beta Club of WMS competed successfully at the state competition this year and will compete in the area of group talent at the national convention. Our band and strings students also enjoyed a lot of success this year. The WMS Band received the Outstanding Performance Award from the South Carolina Band Directors Association. Our strings program had 14 students that received an Excellent Certificate Rating and 37 students that received a Superior Certificate Rating at the State Solo and Ensemble Festival. Students continue to participate in service learning activities that provide opportunities for parent and community involvement as well as a way for students to apply classroom knowledge to real world situations. Wren Middle School appreciates a supportive PTSO and School Improvement Council. Our PTSO has provided funds for technology and other instructional materials that enhance our academic program. Wren Middle School is a community of learners emphasizing academics, service and the arts. Our goal is to provide students with diverse opportunities that will bridge the gap to the future and enable them to develop skills to ensure success throughout their educational careers and beyond.
