Report of Principal and School Improvement Council

Hannah-Pamplico Elementary Middle is a child-centered, community school dedicated to providing a warm, friendly, and challenging environment in which all students are offered the educational opportunities to become productive, responsible citizens. We believe that all children can learn if all members of our educational family work closely together. During 2010-2011, our students, staff, and parents united to work toward improving student achievement, professional development, and parental involvement.

According to 2010 PASS results, HPEM successfully met 19 of 21 objectives (90.4%) for Adequate Yearly Progress. The middle school advanced a level and the elementary school maintained its level on the EOC Report Card rating. Budget challenges in the 2010 -2011 school year resulted in fewer teachers and limited instructional opportunities in science, social studies, single-gender classes, etc. Although PASS results reflected these challenges, improvements were seen in some areas. This year HPEM continued to focus on improving student achievement levels by maintaining effective initiatives such as inquiry-based instruction and authentic learning; Race to Read, a focused time devoted to reading/conferencing; Thinking Maps, a visual teaching tool to focus and connect learning; Measures of Academic Progress testing; technology integration; single-gender grouping; Soar to Success, a reading improvement program; Classworks, an individualized computer-assistance program aligned to reading and math MAP scores; and Write from the Beginning/Write for the Future, the Thinking Maps writing companion piece. The Special Education department implemented a new curriculum, SRA, to provide targeted reading and math intervention. Professional development focused on intensive data analysis, standards-based assessments and curriculum alignment, and technology integration. Teachers benefited from workshops and the support of consultants from the Pee Dee Center, the Educational Resources Group, and the FMU Center of Excellence.

Our faculty and students have made significant accomplishments this year. Several teachers attained advanced degrees and received grants. Eleven eighth graders were named SC Junior Scholars. A sixth grader participated in the regional spelling bee at FMU. The Jr. Beta Club inducted 50 students. All students participated in our fine arts program, which included productions of Seussical, the Musical, Holiday Zoobilee, Go West, and We're Making Music in our School. The Special Education and PE Departments sponsored Special Olympics which included thirty-six athletes from two schools. Our elementary students continued to break their own records by passing Accelerated Reader book tests. Parents, grandparents, and community members actively participated in Grandparents' Day, Field Day, Month of the Young Adolescent, Pastries for Parents, and other activities. Our PTO and School Improvement Council sponsored several activities to support HPEM, including a joint food drive with Jr. Beta which resulted in approximately 3,000 canned goods for the Harvest Hope Food Bank.

As always, we are proud of our school and the community it represents. We anxiously await the opportunities and experiences of another great year at HPEM.
