Report of Principal and School Improvement Council

Lakeview Middle School (LMS) aptly reflects the ideals of its mission statement. We are committed to providing a nurturing, rigorous, academic environment for all of our students that meets the intellectual, social, physical, and emotional needs of each child. Located in an urban area between Furman University and downtown Greenville, our school population consists of approximately 500 students. We are a community school representing the historical mill villages and Furman area. LMS faculty, staff, and students desire to return to our past tradition of excellence through a vast array of programs that include rigorous academics of the College Board's Springboard program, the Laptop Initiative with all students given laptops, competitive athletics, and excellent visual and performing arts. Our curriculum offers courses for high school credit to include Spanish 1, English 1 Honors, Algebra 1 Honors and Geometry Honors. Past awards include the 2011 SC ETV Top Middle School, 2010-11 Greenville County Emerging Teacher of the Year, 2011 Alliance Grant Winner, 2011 Region Girls Soccer, 2009 Region Girls Basketball Champions, 2009 Boys Soccer County Runner Up, 2006 Beacon Award- Autoskill for Technology, 2005 Boys Soccer Team Undefeated, 2004, 2003 & 2002 Junior BETA Club 1st, 2nd, & 3rd Place respectively for Living Literature, 2004 Invention Convention - 1st and 3rd Place Winners for 7th Grade, 2004 Shining Star Awards, 2003 & 2004 Greenville Boys Basketball Championship, 2003 SC Middle School Chorus, and 2001 Reconceptions Technology Grant Award.

In pursuit of these goals Lakeview Middle School has undergone a rigorous self-study under the auspices of the Southern Association of Colleges and Schools and the Making Middle Grades Work reform model. The results of this study are driving continuing efforts to improve to include new initiatives for student achievement and school culture. And with more than 64% of our teachers holding advanced degrees and two of our teachers obtaining National Board Certification, our faculty has established a professional learning community to support the initiatives through professional development. Other efforts undertaken this year include tutors provided for struggling students, additional help and enrichment after school, and the use of technology in instruction to motivate our diverse student population. Community support remains strong with one business partner, ScanSource donating financial support for our Backpack food program. Other initiatives to improve school culture include student government, Peace Flag- peer mediation program, and service learning projects with our local community.
