Report of Principal and School Improvement Council

The mission of Langston Charter Middle School is to enrich and empower sixth, seventh, and eighth graders with personal responsibility and compassion for their community through single gender classes and innovative teacher, parent, and community collaborative learning. Langston Charter Middle School expects parental involvement in their child's academic, emotional, and social development.

The school is named after a courageous young girl, Laodicea "Dicey" Langston, who, during the Revolutionary War, risked her life on several occasions in our country's fight for freedom. Her selfless acts and willingness to be involved exemplify the character traits that must exist in people if their community is to be a place of quality. Building on the legacy of people like Dicey Langston, our school encourages academic excellence in students while instilling the values of personal responsibility and accountability.

Langston Charter Middle School opened on August 22, 2005. Standards for AYP have been met each year; 2006 through 2010. Since our second year, we have had full enrollment with a waiting list. During the 10-11 school year, our 384 students contributed thousands of hours of service to many local organizations and activities. Students in all grades sharpened their leadership skills and won awards at the 2010 YMCA Youth in Government Conference in Columbia. Students were recognized for their performance at the 2011 YMCA Model UN Conference.

Parent and community support continues to be outstanding. Well over 5000 volunteer hours were logged by parents at school or school-sponsored events. Local business leaders taught Junior Achievement lessons and Upstate political candidates met with our students and parents in a debate that was part of our Leadership Speakers Series. Our parents consistently model leadership as they serve on our Board and contribute their energy and talents to school projects.

Our teachers regularly attend professional development conferences focused on single gender education and continuous school improvement. Faculty members frequently present at conferences, sharing teaching strategies as well as the results of their research into the effectiveness of single gender instruction. An interdisciplinary team of teachers has continued its study of adolescent literacy strategies and is working with the faculty to improve reading comprehension across the curriculum.

We strive to challenge all students at the highest possible academic level. 109 students earned high school credit for one or more of the following courses: Algebra I Honors, Geometry I Honors, English I Honors, and Spanish I. One hundred percent of our students in Algebra I and English I passed the state EOC exams. Langston was awarded the Palmetto Gold Award for performance in 2010-2011.

In July 2010, we moved into our third facility, finally achieving our goal of having a permanent home for the school. We will enroll 450 students as we begin the 2011-2012 academic year. Our vision is that Langston will be a replicable model for academic excellence, community service, and responsible leadership.
