Report of Principal and School Improvement Council

Each year, we at Richland Northeast High School welcome the perspective that the State of South Carolina Report Card offers on our progress and our statistical standing among other high schools in the state. Our administration, faculty, and School Improvement Council work hard to help our students reach the markers set for them. We also understand that reaching those markers is only one indication of a quality education, and for that reason we continue to stretch ourselves beyond what is expected. This has been a year of significant changes, both in an expansion of our educational environment and refurbishing of our physical one.

This year we became an International Baccalaureate Candidate School as part of Richland School District Two's IB Continuum. Designated teachers have spent much of the year revamping our curricula to bring them in line with IB standards, with the goal of implementing IB-level coursework in 2011 – 12. As such, we join more than 3,260 schools in 140 countries (more than 945,000 students worldwide). We expect the effect of the IB Programme to be profound, significantly boosting academic achievement throughout the school as we work to meet the program's rigorous standards. We will grant our first IB Diplomas to the Class of 2014.

In addition, we are progressing through a campus wide refurbishment that began in summer 2010. The grant-funded initiative will bring our thirty-three-year-old campus up to date, increasing instructional space and upgrading current facilities as needed.

We continue to accrue honors and awards at the national and regional level. The Magnet Schools of America Association named our lead Convergence Media teacher, Lynn Washington, its 2011 Magnet Teacher of the Year; Ralph Schmidt was one of eight finalists for the Magnet Principal of the Year award. The South Carolina Theatre Association gave Palmetto Center for the Arts Theatre teacher Donna Wilson its Lifetime Service Award.

RNE had five 2011 National Achievement Scholarship Semifinalists and three winners, along with a National Merit Scholarship winner and a finalist for the U.S. Presidential Scholarship. Our Model UN Team took first place for the twentieth time (out of twenty-two years) at the National Model UN competition. Our Student Government won three top awards from the South Carolina Association of Student Councils, and our Theatre Department was once again invited to represent the U.S. at Scotland's Edinburgh Fringe Festival, the fifth time in the past decade. Our NJROTC again competed in the NJROTC Nationals, one of only two teams statewide to qualify. This is just a taste of the year's achievements.

We continue to stress community service, again adopting dozens of families for Families Helping Families, extending our HOPE for the Holidays fall service project into the year-round HOPE 365, and coming together as a school to back the Junior Horizon class's No More Empty Plates campaign to fight hunger. Am I proud of the Cavalier Family? You bet.

Regards,
Ralph Schmidt
