## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2010-2011 school year was a success! Faculty and staff faced some very difficult administrative changes, handled them well, and the students responded well also. Parental support during all of these changes was also extremely evident and was a major contributor to the success of the school. Together, all of these factors led our school to be recognized as one of the finest schools in the area, and even the state as a Palmetto Silver Award winner.

Even with such success, we are not content to accept it as our best effort. The renewed dedication of faculty and staff to improving our work ethic and finding new ways to reach students is exciting. Many of our teachers have already participated in professional development that will enhance their individual work and also the school. Students have a similar energy, and it can be expected that more recognitions and awards will continue to be showered on the school as this continues.
