## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Report card Narrative 2011-2012

At New Heights Middle School we create student success! We serve a community of learners providing a rigorous, stimulating academic environment in which students find both challenge and support. As a means to success, literacy, reading, and writing are a serious focus across the subject areas.

This year's absolute school rating has improved from last years and our expectations for next year are equally high. We will concentrate on the essentials of curriculum while maintaining our joy of teaching and learning with a purpose. In the coming year we expect even more dramatic achievement results in our classrooms.

In our learning environment we facilitate respect for one another and appreciate our differences. We encourage one another to reach out to our community as well as to grow to reach our own potential allowing students to be confident, successful learners.

Our teacher quality remains at 100% with a faculty which is fully certified. School uniforms and single gender classes continue to support our school initiatives.

Keeping in sync with our community has involved in a variety of venues. Our PTO family nights On Sept. 2nd, Nov. 18th, & Feb. 17th had over 1,075 family members in attendance. Our "Arts Alive" program had over 450 in attendance with 185 students participating in the various programs.

Our Math & Science night was a showcase of curricular games and activities based on our teaching standards. Our band, chorus, and drama clubs put on concerts and plays throughout the year with great success.

We continue to address our needs based on MAP data for student placement and advancement as well as recognition for contest winners, writing awards, and athletic achievements.

Our media center is current and competitive with latest technology & educational programs. Our Career center assesses our student's aptitudes & interests and matches them in careers in which they would be competitive & prosperous.

Our Hawk News/Broadcasting Team continues to provide students with service learning credit and experience in our school newsletter with a full-page publication quarterly in our local newspaper. Our service learning programs include student elections, food drive, relay for life, teens for jeans, St. Jude Math-A-Thon, and peer tutoring.

Our career day, Black history month, and Veterans Day programs included programs, Guest speakers, and dramatic performances for our students by our community members. Chair of School Improvement Council – Rodney Nicholson and Principal- Larry Stinson
