## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Hillcrest Middle School had another outstanding year in 2010-11. Despite the economic constraints that schools have faced, Hillcrest Middle continued to do very well. We lost three additional teachers and gained several students, but our staff, student body, and community all rose to the occasion and we continued to succeed.

One of our most significant achievements was recognition from the State Department of Education regarding the progress our school has made academically. Hillcrest Middle was the recipient of both of the awards that the State gives for academic achievement. We received Silver Medals for Absolute Performance and for Closing the Gap. We are one of only two middle schools in our district to receive both awards. We accomplished this goal even though our student body increased and our staff decreased.

We continue to excel in performance on the PASS and MAP tests, ranking among the top schools in our district. Consistently high academic performance has always been a hallmark of Hillcrest Middle School, and we continued that trend this year.

Our SIC and PTA have understood the fiscal constraints that we face, and they continued their consistent support as we have moved through these difficult times. They remain an integral part of our program.

Keith Russell, Principal  
Dr. Rick Zepel, SIC Chair
