REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

This was our second year for Oakridge Middle School and a foundation for success was continued. Teachers collaborated weekly to design work for their students. Work products created by the students were presented to parents and visitors throughout the school year. During the year, students presented their work in a variety of formats. Students engaged in such activities as Lunch-Out, Walk with the Eagles, Field Day, and Career Day. Several students won local and state awards throughout the school year.

The student council and recycling club conducted many service learning projects to benefit the school and community. Teachers used technology in the classroom to excite their students. Students were involved in other activities such as Lego Club, Athletics, Academic Challenge, Math Counts, and Student Council. Character education awards were given monthly. The active PTSO purchased items for the classrooms. Parent volunteers helped in every classroom and made the award-winning Lego Club possible.

Together, parents, children, teachers, and administrators worked diligently to make Oakridge Middle School a community of learners and concerned contributing citizens.
