Report of Principal and School Improvement Council

Edisto Primary School (EPS) strives constantly to be a place of nurture and learning for young students. The administration, faculty, staff, volunteers, parents and community members work together to help students achieve excellence and academic success. EPS has continually received an “Excellent” rating on the state report card since the onset of the statewide reporting system. The school has received accreditation for the past forty years through the Southern Association of Colleges and Schools. Edisto Primary is a Red Carpet School winner.

The educational program of the school has been strengthened through the addition of instructional coaches. A literacy coach and math/science coach provide professional learning group collaboration which offers times for teacher reflection and new learning in the areas of instruction and assessment. Attention to small-group instruction, hands-on explorations and student engagement has enhanced the school’s focus on the growth of young readers, writers and thinkers. Students are aware of their always changing reading level and are directed to books which give them opportunities to practice reading strategies and move to the next level. They are involved in discovery learning through the use of science kit materials and math manipulatives.

MAP (Measures of Academic Progress) assesses second grade students three times a year through on-line testing. The data generated by this assessment is used to design instruction on individual and small group instructional levels. The addition of this tool has helped facilitate improvement in reading, math and language.

Partnership with parents and other community members through monthly “Spotlight on Success” nights, math game nights, grade level programs, newsletters, regular family conferences and home visits have strengthened the connection and improved communication between the school and the wider community. Continual improvement in this area is an on-going focus of the school.

The combined primary and elementary School Improvement Council continues to enhance the school relationship between the community, parents, children, and staff with more SIC sponsored activities. The list of projects includes Campbell’s Soup labels, Box Tops for Education, donation of books to all children, SIC incentives for children and teachers, as well as the project, Growing Together, featuring our community farmers and school-age children.

Edisto Primary continues to face the challenges of improving test scores and student attendance as well as motivating students to achieve to their fullest potential in all areas. The school continues to use the Positive Behavior Intervention Support model consistently. EPS will embrace the challenges mentioned above as we boldly lead our young students into their future.

Susan A. Zeigler, Principal John Wolfe, SIC Chairperson

Evaluations by Teachers

	Teachers
Number of surveys returned	46
Percent satisfied with learning environment	95.7%
Percent satisfied with social and physical environment	95.6%
Percent satisfied with school-home relations	93.3%

School Adequate Yearly Progress

NO

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

Teacher Quality and Student Attendance

	Our District	State
