REPORT OF SUPERINTENDENT

Greenwood School District 50 has completed another fantastic year thanks to our faculty and staff providing high quality educational services and LEAVING FOOTPRINTS in the lives of all of our students! An economic downturn has not impeded our district's ability to advance and improve a first-class educational program for every student. Our district's recent trend of improved student achievement has not changed. Our students' performance on the PASS test improved at every grade level in the area of math. The number of students participating in Advanced Placement (AP) exams continues to rise, along with students' passing scores on these exams. Technology has been upgraded to a state-of-the-art level to support the teaching and learning process. Our new student instructional software, Compass Learning, is being implemented district-wide to provide all students with instructional activities that align with the state standards and district's academic goals. District 50 is constantly striving to provide choice options that engage and motivate our students. The newly created Greenwood School of Inquiry (GSI) program is a school-wide choice program for K5-5th grade students. After another successful year, the Advancement Via Individual Determination (AVID) program will continue to expand into all secondary grade levels. The Science, Technology, Engineering, and Mathematics School (STEMS) continues to excel at the middle school level. The Arts, Communication, and Theatre School (ACTS) remains as our senior magnet program and will continue to offer opportunities for elementary, middle and high school students. Additional options at every level include the Montessori program, single gender programs, the Middle College Program, and early-bird and flexible schedule courses at the Genesis Education Center. Our district continues to enjoy the benefits of outstanding community support. We have received positive feedback and tremendous participation at district-wide events, presentations, informal coffee hours, and service projects from our families and the community as a whole. With your constant support, we can make the mission of our district a reality and LEAVE A FOOTPRINT in the lives of all our students and community. Please feel free to contact me, the assistant superintendents, principals, and other school leaders whenever you have questions or concerns.

Darrell Johnson, Ed.D. Superintendent
