There are no charter schools in this district.			

REPORT OF SUPERINTENDENT

During the 2011-2012 school year, Laurens County School District 56 achieved excellence, embraced innovation, and forged new traditions. Our mission is to provide the highest quality of education and be an advocate for all students by preparing them for future learning. The district will achieve this mission by supporting a culture of continuous improvement driven by integrity, teamwork, and perseverance.

Throughout my first year as Laurens District 56's Superintendent, the district has focused on four targeted goals: elevate the academic performance of every student at each level; promote and develop an environment of learning, collaboration, and growth; improve stakeholder communication and support of public education; and integrate resources and technology tools to support learning.

Our schools and students achieved excellence. Bell Street Middle School's Science Olympiad Team won the state tournament for the tenth consecutive year; Clinton High School's Science Olympiad Team won the state tournament for the fourth consecutive year. Clinton Elementary, Joanna Woodson Elementary, and Bell Street Middle received a Silver Award for General Performance, and Eastside Elementary received a Gold Award for General Performance and a Silver Award for Closing the Achievement Gap. Under No Child Left Behind, Eastside Elementary and Joanna Woodson Elementary met Adequate Yearly Progress (AYP).

Laurens District 56 embraced innovation this year by adding Clinton High School to the list of TAP schools in the district. During the 2012 – 2013 school year, MS Bailey Child Development Center will become a TAP school thereby making Laurens District 56 a TAP district. TAP is a comprehensive school reform system designed to increase teacher effectiveness and student achievement.

New traditions are being established in Laurens District 56. Our new high school has allowed our teachers and students to take advantage of state of the art technology in every classroom along with access to an auditorium. Clinton High School has expanded career exploration opportunities by implementing mechatronics and welding CATE programs, as well as, the addition of a greenhouse for the agriculture program.

The goal for all students in Laurens District 56 is to graduate from high school. With continued support from all stakeholders - whether they are students, teachers, administrators, staff, parents, businesses, or residents - we will ensure the best education possible for our children, thereby ensuring a future for our community.

David C. O'Shields, Superintendent
