**Report of Principal and School Improvement Council**

The legacy and mission of Richard Carroll Primary School has drawn to close as we end this school year. We anxiously await the move into our new facility. We will become a part of the new Richard Carroll Elementary School grades Pre-K through 6. Richard Carroll Primary worked feverishly in completing our school mission to facilitate learning for all students by providing, with community and parent support, relevant, meaningful instruction in a safe, nurturing, respectful environment.

It has been a concerted effort to tap the many resources used in accomplishing our goal. All students in grades 5K-3rd grade participated in the Measures of Academic Progress (MAP) assessment where students and parents are not only able to see their own progress; they are able to see their progress compared to other students across the nation. Teachers and administrators gleaned data from MAP testing along with data from the PASS, Dominie, and grade level benchmark assessments to make instructionally-driven decisions.

Richard Carroll Primary has fully implemented a three-tier Response to Intervention department for Reading, Math, and Behavior that is based on nationally recognized, researched, and evidenced-based interventions. RtI has had great success in tailoring education to the individual needs of the student. Learning is our business and ensuring the success of all our students has been the number one priority of Richard Carroll Primary School.

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	94.8
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

## Accountability Indicator for Title I Schools

Richard Carroll Primary School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
