Report of Principal and School Improvement Council

This fall, Port Royal Elementary celebrated its 100th year of serving the students, families and community of the Town of Port Royal. The yearlong Centennial Celebration began with a reunion of former and current PRE Family members, included a new school song composed by our students, with an art competition and other projects that honored Our Century of Learning. We thrive as a vibrant neighborhood school, nestled on the main street of a very active, nurturing community that rallied last summer to ensure the future of the school. Every student is held to very high expectations and goals, with literacy, numeracy, and technology integration as our top priorities. This year we earned the Palmetto Silver Award for overall academic performance, as well as the third consecutive year of Adequate Yearly Progress (AYP) under the federal "No Child Left Behind" criteria. We are extremely proud that the PRE School Improvement Council (SIC) was named as one of the top five in South Carolina, earning Honorable Mention for the 2012 Dick and Tunky Riley Award for SIC Excellence. Our SIC was recognized for success with increasing community involvement and collaboration to meet the changing needs of our students, to celebrate the PRE Centennial, and to revitalize PRE as an ongoing, dynamic neighborhood school. The SIC was honored at the statewide SC-SIC Annual Meeting this spring, and former Governor Dick Riley presented the award personally to our representatives. We are particularly proud to be the first winner of this honor in Beaufort County.

Student achievement resulted from a continued focus on curriculum standards and effective teaching practices, under the leadership of our Literacy and Math Coaches. Year one implementation of the Teacher Advancement Program (TAP), a highly proven professional development model that increases teacher collaboration and effectiveness to improve student learning, was led by our TAP Master and Mentor Teachers. Rigorous implementation of the Everyday Math Program and the district Balanced Literacy program, with very involved parents has made all the difference! Targeted academic supports are in place to engage and motivate our challenged learners, and our staff makes data-driven decisions to support all children. Implementation of Positive Behavioral Interventions and Supports (PBIS) and anti-bullying strategies continue, and our children were recognized for thousands of good choices and kind acts. We continue to strive to prepare our students for the complexity of the 21st century, with the leadership and problem solving that are so critical to their future success.

Many dream of living in a community such as ours, where children walk to school, and teachers and staff know every child. Our students and families enjoy holiday festivities sponsored by the Town, and our children are able to walk to the Sands and to the new Cypress Wetlands to experience learning in real world settings. We visit with our local seniors, our Post Office, the Fire and Police Departments and walk to the YMCA for swimming lessons. Our community supports us in all we do, and we truly appreciate that it takes a Town to raise the children of Port Royal Elementary!

**ESEA/Federal Accountability Rating System**

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>98.3</b>
<b>Overall Grade Conversion</b>	<b>A</b>
