Report of Principal and School Improvement Council

Jennie Moore Elementary School is an arts-infused magnet school that serves the East Cooper Area. Our mission is to actively engage students to become creative life-long learners. The comprehensive fine arts program at Jennie Moore is integrated across a strong academic curriculum. All of our students have the opportunity to learn and to develop their creative skills through Art, Music, PE, Drama, Spanish, and Technology with instruction based on the South Carolina Standards. The administration, faculty, and staff are committed to continuing our tradition of providing a strong foundation for all students through a coherent curriculum, diverse learning experiences, and special programs meeting the needs of all learners.

Jennie Moore students continue to demonstrate high academic performance. Based on the 2011 PASS test results, Jennie Moore received an overall rating of Excellent and an improvement rating of Excellent. Jennie Moore administration, faculty, and staff continue to seek ways to challenge students in their academics. The results of the MAP assessments and other data are continuously analyzed so our instruction can meet the needs of our learners and foster growth in our students. We were proud to be awarded the Palmetto Gold Award for overall achievement for the 2010-2011 school year.

Strong parental involvement and active community support have contributed to our successes. We are fortunate to have parents, volunteers, and community members participate in our school's activities. It is through the collaborative efforts of the teachers, staff, administration, parents, and community that we are able to create a positive, nurturing learning environment which fosters high expectations for all of our students.

As we celebrate our many accomplishments and achievements, we are confident we will continue to fulfill our mission and make excellent progress in the years to come.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	98.7
Overall Grade Conversion	A

90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations
