Report of Principal and School Improvement Council

Murray-LaSaine, a neighborhood school located on James Island, achieved an absolute rating of "average" on the 2010-2011 school report card along with a growth rating of "average." Our school also met all of the objectives necessary to meet the requirements for Average Yearly Progress. In recognition, we were awarded the state's Silver Award for achievement. Our students, teachers and staff, parents and community all worked together to successfully achieve these results.

Small class sizes with teachers who diligently teach the South Carolina Curriculum Standards ensure optimal success for all of our students. Our continued implementation of Everyday Math, the Voyager Reading Program and the support of a reading and math interventionist provide vital support for our children. Using MAP data to drive instruction, our teachers plan lessons that meet the unique needs of each individual student.

Murray-LaSaine actively seeks the involvement and support of our parents, families and community. Parent conferences, Reading and Math Nights, PTA meetings and monthly newsletters all enhance our level of family and community engagement. Our Muffins for Moms, Doughnuts for Dads, and Grits for Grandparents are activities that invite our families into our school, welcoming them and showing our appreciation for all they do. Along with these efforts, our PTA/SIC/Title I Board continue to work to build even more bridges between our school, our families, and our community.

Chick-Fil-A, Charleston County Parks and Recreation, local churches, Piggly Wiggly, and Walmart are among our Community Partners. These partnerships provide resources and opportunities that greatly enhance our school, allowing us to "provide excellence for our students, one student at a time."

It is with the support of all of our families and community members that we are able to continue to strive to consistently provide the best possible education for each child, ensuring the establishment of life-long learners for our future.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
