Report of Principal and School Improvement Council

Edith L. Frierson Elementary is a Title 1 Community School located on Wadmalaw Island. This year's theme was "The Sky's the Limit!" Our high academic expectations helped our students to strive for higher goals.

At E. L. Frierson we are committed to the success of each child. Our students continue to grow in all areas: academically, socially, physically and artistically. This year we added a Gifted and Talented Enrichment Program for second grade along with, doubling our Gifted and Talented enrollment. Twenty of our third, fourth and fifth grade students achieving Met or Exemplary on the PASS test were highlighted at a St. John's High School football game. Fourteen students attended strings class twice a week for the entire year and performed at various events on and off campus.

During the year, our students, families and staff participated in a variety of academic, social and community activities. Staff development focused on research based strategies for increasing student achievement through the Mastery Teaching Model, Everyday Math extension activities and the "Teach Talk" method of classroom inquiry.

Many students participated in afterschool enrichment activities such Brain Boosters, Sewing Club, Girls Day Out and Boys Day Out. Students also raised "Pennies for Ponies" for L.E.A.R.N horse rescue. Our PTA and SIC sponsored events such as Lift-off To Learning Balloon Launch/Pep Rally, Homework 101, Family Night, Literacy Night, and Open House/May Day.

We are a community supported school and our success is largely due to their overwhelming support. Edith L. Frierson is dedicated to providing a quality learning environment that encourages students to become lifelong learners and productive citizens of the world.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	83.3
Overall Grade Conversion	B
