Report of Principal and School Improvement Council

Located in the heart of the Ashley River historical district, Springfield Elementary School is one of the few remaining neighborhood schools remaining in Charleston County. Springfield is committed to increasing student achievement for all students who enter our school doors. Highly qualified teachers differentiate instruction to meet the needs and learning styles of each child. High parental involvement ensures that the entire Springfield community is working together for the welfare of our students. Springfield continues to achieve performance excellence by supporting the district's Core Values: Results, Access, and Partnerships. Teachers collaborate to improve instruction and implement inclusion, creating a constructive professional learning community.

Quarterly orientation classes are held for new students to help them feel welcomed and comfortable at our school. We are always welcoming new parents to participate and to become an active part in our school PTA and School Improvement Council.

Springfield integrates cutting-edge technology with Charleston's Coherent Curriculum. Each classroom is equipped with a SMARTboard, desktop computers, document camera, and a laptop computer for instruction. Students have access to two computer labs on a daily basis. Each computer lab is equipped with 30 state-of-the-art desktop computers, a SMARTboard, and a networked printer. These labs are used for technology integration into the curriculum, Academy of Reading, and SuccessMaker software.

**ESEA/Federal Accountability Rating System**

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>98.6</b>
<b>Overall Grade Conversion</b>	<b>A</b>

80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations
