## Report of Principal and School Improvement Council

The mission of Mt.Zion Elementary School, working in partnership with students, staff, parents and the community, is to ensure that all students are provided a high quality education through curriculum that utilizes approaches based on content advancement, analysis of abstract themes or concepts, development of complex thinking processes, and transformation of learning into creative products.

Our focus this year will be on the implementation of STEM. This is a way of incorporating science, math, and engineering into all academic subjects. We hope to better prepare our students for the world of the future through the integration of STEM activities.

We invite our entire community to join us in achieving our mission. You are invited to visit, get involved at any level, and to help make a difference in the lives of our future leaders of America.

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea> or request this information from your child's district or school.

Overall Weighted Points Total	94.5
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations
