Report of Principal and School Improvement Council

This report card data reflects the spring of 2012 grades 3, 4 and 5 PASS results and School Climate Surveys of parents and students in grade five. Belle Hall Elementary (BHE) is proud of the students' performance and achievement on the PASS. We continue to place academics and student achievement as priorities as we focus on teaching the South Carolina Curriculum Standards in preparation for success on the Palmetto Assessment of State Standards (PASS) exam. The school provides a safe and nurturing environment promoting character development through regularly scheduled guidance classes. Our curriculum is rigorous with challenging activities for developing students. Belle Hall is a successful school that benefits from the hard work and determination of our students, teachers, parents, staff and community. BHE received the 2011 Palmetto Gold Award, which is based on exemplary student achievement. This is our eleventh consecutive year for this distinction. Thank you to everyone who supported us in pursuit of these goals!

Belle Hall Elementary's mission is to develop skilled, respected, independent seekers of knowledge by providing a rich, diverse, and challenging curriculum. The school's ethnically diverse population of 785 students in Child Development (four year olds) through the 5th grade has an enrollment of 79% white and 21% non-white students. Instructional programs include various special education services, fine arts, technology, guidance, Accelerated Reader, chorus, handbells, and regular intervention groups for students needing academic assistance. Students may also participate in swimming, tennis and basketball among other extracurricular activities. Students in 3rd through 5th grades may qualify for the Gifted and Talented program. Approximately half of our eligible children participate in this G/T program. Efforts are consistently made to provide additional resources to classrooms challenged with increasing student-teacher ratios. In 2011-12, average class sizes were 20:1 in kindergarten, 20:1 in first grade, 24:1 in 2nd/3rd grades and 28:1 in the upper grades. Teacher turnover is rare at Belle Hall and a majority of teachers holds a Master's Degree or above. Belle Hall teachers currently average 20 years of teaching experience with four holding National Board Certification. Securing adequate time for teacher planning and professional development remains a focus so that we can best meet the needs of the students.

The Belle Hall journey to support all children and enable them to be successful, fulfilled learners continues.

Mr. Kevin Conklin, Principal

Mrs. Melissa Hillen, 2011-12 SIC Chair

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea> or request this information from your child's district or school.
