**Report of Principal and School Improvement Council**

This has been a very successful year here at Draytonville Elementary. The school received the 2011-2012 General Performance Palmetto Silver Award. The dedicated teachers and support staff are the driving force behind the success of our school. Mrs. Angie Farley was selected as Teacher of the Year, while Mrs. Bettina Waters served as the Distinguished Teacher of Reading.

Our students excelled in many areas. We had a Regional Science fair winner, District winners in Poetry and Essay contests, as well as Young Writers' Gala. Students participated in the District Honors Choir, and students had their art work on display at the Arts Expo.

We are thankful for our partnership with local businesses, and with parents and family members through the PTO. They provided field trips for all students, playground equipment for the kindergarten play area, support during the fall festival and the Santa Shop, and provided incentives for the students.

Through the efforts of our students and staff, Draytonville was able to make donations to various organizations. We donated to Relay for Life, Jump Rope for Heart, March of Dimes, Gaffney Soup Kitchen, and the Salvation Army.

At Draytonville, we are continuously striving to improve our communications with our parents and community. This year we sent home a school newsletter every two weeks, and used the Alert Now Rapid Communication Service to distribute information. We also have a message board in front of the school to share information with parents and the entire community. In addition to those methods, the teachers send home some form of correspondence during the week. This upcoming school year, we will create an email bank of parents' email addresses. We will send them information in this format as well. We are always trying to reach our parents and community to keep them abreast of what is going on in their neighborhood school.

Once again, we want to thank all of the stakeholders who played a role in enhancing the life of our students!

Isaac Wallace, Principal  
Diane Bridges, School Improvement Council

**ESEA/Federal Accountability Rating System**

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
