Report of Principal and School Improvement Council

The mission of Edwards Elementary is to prepare students to become responsible individuals by creating a positive environment where dedicated staff, parents, and community members work together to provide opportunities for success and creativity through academics and the arts.

Our staff continued to grow professionally throughout the school year with the help of literacy, reading, and math workshops. RTI teachers have continued to contribute to the growth of the Dominic Reading levels of our primary students. A new academic program entitled, The Kindergarten Connection, has helped to bridge the gap and better prepare students for first grade. This program continued through the summer to address social development and academic weaknesses.

Our school continues to be one of the most technologically advanced elementary schools in the district. All classrooms are equipped with computer, printer, Promethean boards, LCD projector, ACTIV votes, and wands. With the use of our V-brick, we can telecast our news show into each classroom throughout the school.

Edwards Elementary was a 2011-2012 recipient of The Palmetto Silver Award for exemplary academic performance. Edwards was proud to recognize four students for perfect scores on one or more areas of the PASS test.

Edwards continues to stress the importance of community services by holding fundraisers for Pennies For Patients, Relay For Life, Paws & Claws, Connie Maxwell Home, St. Jude Hospital, and care packages for soldiers.

We thank every parent and community member for your continued support of our school.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	98.1
Overall Grade Conversion	A

70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
