Report of Principal and School Improvement Council

Edisto Beach Elementary School continues to strive for academic excellence. The school's report card rating indicates a strong instructional program. During 2011-2012, classes remained multi-level [with 3 teachers serving 6 grade levels] and teaching assignments remained departmentalized. The contributions of a strong and dedicated PTO encourage excellence among students and staff. The PTO continues to financially assist in addressing the academic and enrichment needs of students. Strong community support provides local grants and volunteers for our school. The purchase and use of iPads for all students has helped to create an exciting learning environment.

School Improvement Council Chairman, Valerie Davis
Principal, Olivia Padgett

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
