Report of Principal and School Improvement Council

Latta Elementary School, A Palmetto Silver Award recipient, is known for its exceptional academic program. Serving grades 2-5, our data driven curriculum and our safe, nurturing learning environment allow students to succeed academically, socially and emotionally. At Latta Elementary our exceptional needs students are served through Intervention, resource, speech and Gifted and Talented programs. Our single-gender classes in fifth grade allow those students to learn and grow academically and socially with their same gender peers. Every student at LES receives daily small group instruction in needed areas as identified through benchmark MAP testing. Weekly labs give all students the opportunity to have a hands-on experience in science using up to date technology and equipment. Our media center, testing and computer labs are available for research, testing and publishing of student work and improvement of keyboarding skills. Students are also involved in producing and anchoring our daily Vik-Kid Morning News program. In addition, students are exposed to technology in every classroom, as each is equipped with two LightSpeed microphones and a VISTA system (laptop, document camera, projector and SMART Board) for interactive instruction. Our dedicated and energetic staff continues to grow instructionally through current professional development. Teachers work on and across grade levels during a common planning time as they share resources, conduct schoolwide research and attend professional development sessions. Our school is involved in service learning projects such as our annual food and toy drive. Students also participate in PEAP (Pupils Exercising Against Poverty) to raise money to help the needy in our area. At Latta Elementary School, we continue to strive to provide a quality education for our children while creating a lifelong community of learners. We are confident that by school and community working together, we truly can make a difference for the children whose lives we touch.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
