## Report of Principal and School Improvement Council

Dear Parents and Community of Briggs Elementary School,

The entire Briggs community is to be commended for their initiative, dedication, and hard work during the 2011-12 school year. We pride ourselves on the philosophy of meeting the needs of all of our students.

Making a difference with each individual student is our main emphasis. Our school-wide efforts continue to be directed toward established goals that are aligned to Florence School District One and our School Renewal Plan. "A Tradition of Excellence" was our yearly theme. Students and staff members participated in several service-learning projects that benefited local, national and international organizations.

We are extremely proud of the significant improvement in PASS scores resulting in Palmetto Silver Award state recognition. Our Effective School Plan was implemented to address state standards utilizing data from MAP, Accelerated Math, Tests for Higher Standards and COMPASS assessment tools that identify specific areas of need for each child.

School-wide commitment to early literacy evidenced through our LEAP Lab, vigorous commitment to technology noted by the allocation of notebook computers, LCD projectors, Smartboards, document cameras, hardware upgrades, and several software programs (United Streaming, Brain Pop, etc.) to all teachers truly made a difference.

Our school continues accreditation with an "All Clear" rating through the Southern Association of Colleges and Schools.

The Briggs Association of Parents and Teachers and the School Improvement Council work in concert to continue to support outstanding work at our school. Their mini grants fund many teacher initiated enrichment activities. Our third annual "Taste of Briggs" was a huge community success.

Our school stakeholders continue to work together to ensure that Briggs remains a wonderful place to grow and be challenged.

Sincerely,  
Martin Schmid, Principal  
Ruth Watts, School Improvement Council Chair

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>93.1</b>
<b>Overall Grade Conversion</b>	<b>A</b>
