Report of Principal and School Improvement Council

Bethel Elementary is an award winning school with a history of academic excellence. In 2011 we received the prestigious Carolina First Palmetto's Finest Award. Bethel has also been recognized as a Palmetto Gold Award recipient, Red Carpet Award winner, and SCPTA Parent Involvement School of Excellence. The faculty, staff, and community provide an annual update to our school portfolio to guide our direction for the future and to comply with accreditation requirements. Our school goals focus on academic achievement, professional development, and community relations. Specific strategies are developed to support the attainment of each goal. Our PTA actively supports our school through volunteer efforts and fundraising. Parents have a wide range of opportunities to be involved in their child's education. The active involvement of the school's PTA helps provide integral programs that benefit all children at Bethel. Our PTA sponsors special activities such as the carnival, silent auction, school dances, book fairs, and a guest author. Technology integration is an important aspect of the elementary curriculum at Bethel. Teachers and students utilize technology on a daily basis while teaching and learning. Our school is equipped with five computer labs, and classrooms contain interactive Promethean boards to maximize our students' level of engagement during instruction. Our students utilize Compass Learning, a web based computer program that provides individualized instruction and practice for students at school and home. Our school implements the principles of Continuous Quality Improvement. Teachers utilize quality tools in their classrooms to enhance the learning process. Students take ownership of their learning and use data to track their progress. We enjoy celebrating the successes attained by our students!

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
