**Report of Principal and School Improvement Council**

The mission of Lakeview Elementary School is to effectively prepare students for the future. Through the collaborative effort of our teachers, staff, and parents, we strive to meet the individual needs of all of the students as we prepare them for tomorrow's opportunities. Lakeview's emphasis on academic excellence, character education, parent involvement, and community involvement are essential to the success of our school.

A strong core instructional program and authentic student engagement in the classroom build the foundation of academic excellence. Teachers and administrators analyze student data, reflect on teaching and learning, and collaborate in a professional learning community to make data-driven decisions that have a positive impact on the academic achievement of all students. Individual student needs are targeted with the use of differentiation, remediation, and enrichment.

We strive to provide a school environment that is warm, inviting, and conducive for teaching and learning. Our Positive Behavior Interventions and Supports (PBIS) program allows students to earn rewards for exemplifying the school-wide expectations of staying safe, taking responsibility, and acting respectfully. Character education is emphasized and students participate in monthly character education lessons.

Parent and community involvement are important components of our school as well. Parents are active participants in our school family, and they have numerous opportunities to participate throughout the year. Some of these opportunities include: PTO, school volunteers, school carnival, Math and Science Night, and Career Day. This year we held our first Family Parenting Night. We invited organizations and businesses from our local community to share information about resources in our community with our school family. Our students also participated in several service learning projects to benefit the community. These service projects include: two canned food drives, a recycling program, and fundraisers for the following organizations: March of Dimes, Relay for Life, and Jump Rope for Heart.

Lakeview Elementary School is committed to making a positive difference in the lives of our students. The continuous efforts of our teachers, staff, parents, and community members will empower our students to, "Reach for the Stars."

Christi Loudon, Principal

**ESEA/Federal Accountability Rating System**

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
