## Report of Principal and School Improvement Council

During the 2011-2012 school year, Hampton Elementary School continued to provide opportunities for students to achieve academically, while promoting an environment in which students enjoy learning. The efforts of an outstanding staff of teachers and supporting parents were rewarded by receiving a 2011 Silver Award for improving the achievement gap.

All HES teachers used researched based instructional strategies in the classroom to improve learning. Our reading teachers utilized small group learning and guided reading to help raise reading levels. Also, this year HES became part of the TAP program. TAP gives teachers researched based instructional practices to use in the classroom, while supporting them with assistance from Mentor and Master Teachers. The school also continued with other research based instructional practices such as guided reading and reduced classroom size.

An increased effort was made by HES to promote positive behavior in school. Through the guidance department, character education that promoted self-esteem and diversity was embedded in the classroom curriculum. Students were also rewarded with field trips and intramural activities each month for positive behavior. HES also provided many opportunities for students to participate in fine arts activities such as After School Chorus and the production of two plays this school year. A Chess Club was organized this school year. Several students joined and enjoyed the competition. Hampton Elementary School is committed to providing a quality education for every student. The faculty and staff would like to thank the students, parents, and community for their support. As always, it is our goal to continue collaborating with the community to make our students successful in school.

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>86.0</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

## Accountability Indicator for Title I Schools

Hampton Elementary school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
