## Report of Principal and School Improvement Council

We had another great year at Heath Springs Elementary School. Heath Springs Elementary School, along with involved families and a supportive district administration, is able to offer learning experiences that prepare our children to be unique, independent and responsible citizens. As we move through the halls of our school, we see evidence of the pride our children, faculty and families take in their school. The Sandlapper Garden, a student-created ecosystem is visible from most classrooms. Individual and group projects display evidence of the accomplishments our students have achieved. Our School Improvement Council worked with our faculty to provide clubs on designated Friday afternoons. These clubs allowed the faculty and parents to provide arts, games, and special interest opportunities to our children. Our PTO sponsors grade-level arts performances. We continue to celebrate as an Exemplary Writing School. Our students earned a banner by the American Reading Company for having over 90 percent reading 800 or more steps. Each step represents 15 minutes of silent sustained reading. Parental involvement was a key piece in these successes. Our family volunteers accumulated 9,063 hours this year. Map, Dominie and Test for Higher Standards, as well as anecdotal records are used to guide our planning as we provide services for students needing intervention as well as those on or above grade level. Response to intervention drives our instructional practices. Intervention is provided through a resource teacher, Reading Recovery teachers and Title I Interventionists. SRA Corrective Reading was used in grade 3 for students who would benefit. Social studies standards are integrated in our 2 hour language arts block. Identified 4th and 5th graders were provided reading intervention using science and social studies informational texts. Professional Learning Teams, The Leadership Team, Student Intervention Team and Student Assistance teams meet each month to plan for the success of our students. Reading resources are plentiful for teachers, students and parents. We pride ourselves on being family-friendly and welcoming to students, parents and the community. Our "Community of Learners" continues to celebrate success in many ways.

Sheri Watson, Principal

Kerri Baker, School Improvement Council Chairperson

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	79.1
Overall Grade Conversion	C
