Report of Principal and School Improvement Council

Pineview Elementary School once again had an impressive year. Our School Improvement Council and Parent Teacher Association maintained a strong relationship and have partnered on several projects to raise funds for various needs of the school. We started the year off by revitalizing an unused area on campus and developed it into a beautiful garden area that students will enjoy for years to come. This was accomplished through a \$4,500.00 grant from Lowes Toolbox for Education. The prior year, our SIC was awarded this grant and was actively supported by the PTA. The work was completed during the school year and dramatically enhanced this area of our school. Collaborating with the PTA again, the school raised sufficient funds to replace an outdated and damaged sign in front of the school. The school adopted an updated panther logo to represent Pineview and was displayed throughout the school. Teachers, parents and students are all excited about the new look.

Pineview made strides in safety-related issues. A revised student identification plan was implemented during our dismissal procedures preventing any student from being dismissed without proper parent or guardian identification. Pineview was recognized by the fire marshal for excellent implementation of procedures and drills. Our PTA replaced outdated playground equipment meeting safety codes.

Pineview made impressive technology advances for the staff and students. Smartboards have been installed and utilized in all remaining homerooms and selected special area classes. Our PTA assisted by contributing over \$8000.00 to complete this three year project. Ipads were introduced this year in phases, and the school issued one to each teacher. Additional ipads are available in the media center for student use.

Academically, Pineview continued to move forward. PASS data from the beginning of the school year showed improvement in social studies and writing. MAP scores increased from the fall to the spring in all grade levels placing Pineview’s scores equal to or exceeding national norms in reading and math. Pineview also invested in reading intervention resources, additional books for the literacy libraries, and school-wide computer programs. Preparations have also been made as we transition to the upcoming Common Core Standards. Pineview was recognized with the Palmetto Silver Award and received a “Good” rating on the State Report Card.

Mrs. Cindy K. Stiltner, Principal
 Mr. Brad Giles, Chairman of the School Improvement Council

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
